NEW ZEALAND JOURNAL OF BOTANY

VOLUME 9 1971

Contents, Volume 9

Allison, K. W. Mosses discovered in New Zealand since the publication of Sainsbury's "A Handbook of the New Zealand Mosses" in 1955 672
Allison, K. W. *see* **Lyon, J. F.** *et al.* 699

Baylis, G. T. S. Endogonaceous mycorrhizas synthesised in *Leptospermum* (Myrtaceae) 293
Brooks, R. D. Bryophytes as a guide to mineralisation 674

Campbell, Ella O. Problems in the origin and classification of bryophytes with particular reference to liverworts 678
Campbell, Ella O. *see* **Lyon, J. F.** *et al.* 699
Chapman, B. H. *see* **Lyon, J. F.** *et al.* 699
Chinnock, R. J. Studies in *Disphyma*—a genus related to *Mesembryanthemum* 1. A revision of *Disphyma australe* (Ait.) J. M. Black 331
Connor, H. E. *Cortaderia splendens* Connor sp. nov. (Gramineae) 519
Cooper, R. C. *see* **Lyon, J. F.** *et al.* 699

Drury, D. G. The American spicate cudweeds adventive to New Zealand: (*Gnaphalium* Section Gamochaeta-Compositae) 157

Edgar, Elizabeth Nomina nova plantarum Novae-Zelandiae 1960-1969 Gymnospermae, Angiospermae 323
Engelhorn, Tamra *see* **Raven, Peter** 217
Engelhorn, Tamra *see* **Raven, Peter** 345

Field, T. R. O. *see* **Wardle, P.** 186
Fineran, Judith M. *Entorrhiza* C. Weber (Ustilaginales) in root nodules of *Juncus* and *Scirpus* in New Zealand 494
Fowler, M. M. A soil enrichment technique for the recovery of predacious fungi 27

Giles, K. L. Dedifferentiation and regeneration in bryophytes: a selective review 689
Given, D. R. Two new species of *Celmisia* Cass. (Compositae-Astereae) 526
Given, D. R. Montane-alpine vegetation near Lake Shirley, Fiordland 3
Godley, E. J.: The fruit of *Vitex lucens* (Verbenaceae) 561
Groves, B. E. and Hair, J. B. Contributions to a chromosome atlas of the New Zealand flora—15. Miscellaneous families 569

Hair, J. B. *see* **Groves, B. E.** 569
Hamlin, B. G. The bryophyte collection of William Colenso in the Dominion Museum, Wellington 695
Hamlin, B. G. *see* **Lyon, J. F.** *et al.* 699
Harris, W. F. *see* **Mildenhall, D. C.** 297
Harvey, I. C. and **Wenham, H. T.** An apparatus for continuous microscopic examination of conidium ontogeny 32

Horak, E. A contribution towards the revision of the Agaricales (Fungi) from New Zealand 403
Horak, E. Contributions to the knowledge of the Agaricales s.l. (Fungi) of New Zealand 463
Hughes, S. J. and **Pirozynski. K. A.** New Zealand Fungi 15. *Beltraniella Circinotrichum*, and *Gyrothrix* (Syn. *Peglionia*) 39
Hughes, S. J. New Zealand Fungi 16. *Brachydesmiella, Ceratosporella* 351

Jansen, H. S. and **Wardle, P.** Comparisons between ring age and ^{14}C age in rimu trees from Westland and Auckland 215
Johnston, M. R. *see* **Mildenhall, D. C.** 67

Laudon, G. F. Records of fungal plant diseases in New Zealand 2 610
Linzey, J. T. *see* **Lyon, J. F.** *et al.* 699
Lyon, J. F., Allison, K. W., Campbell, Ella O., Cooper, R. C., Hamlin, B. G., Linzey, J. T., Macmillan, B. H., Chapman, B. H., and **Sneddon, B. V.** Bryophyte collections in New Zealand 699

Macmillan, B. H. *see* **Lyon, J. F.** *et al.* 699
McNabb, R. F. R. Some new and revised taxa of New Zealand Basidiomycetes (Fungi) 355
McNabb, R. F. R. The Russulaceae of New Zealand 1. *Lactaruis* D C ex S. F. Gray 46
Mildenhall, D. C. and **Harris, W. F.** Status of *Haloragacidites* (al. *Triorites*) *harrisii* (Couper) Harris comb. nov. and *Haloragacidites trioratus* Couper, 1953 297
Mildenhall, D. C. and **Johnston, M. R.** A megastrobilus belonging to the genus *Araucarites* from the Upper Motuan (Upper Albian), Wairarapa, North Island, New Zealand 67
Millener, L. H. A simple, inexpensive and efficient microscope lamp 545
Moar, N. T. Contributions to the Quaternary history of the New Zealand flora 6. Aranuian pollen diagrams from Canterbury, Nelson, and north Westland 80

Newhook, F. J. *see* **Podger, F. D.** 625

Parham, B. E. V. The vegetation of the Tokelau Islands with special reference to the plants of Nukunonu Atoll 576
Pirozynski, K. A. *see* **Hughes, S. J.** 39
Podger, F. D. and **Newhook, F. J.** *Phytophthora cinnamomi* in indigenous plant communities in New Zealand 625

Raven, Peter and **Engelhorn, Tamra** A plea for the collection of common plants 217
Raven, Peter H. and **Engelhorn, Tamra** New taxa and combinations in Australasian *Epilobium* (Onagraceae) 345
Raven, Peter H. "Flora of New Zealand". Volume II by L. B. Moore and E. Edgar. Government Printer, Wellington, 1970. xl + 354 p. Price (N.Z.) $4.50 775
Rawlings, G. B.: Northland notes 772
Rivers, Elizabeth M. Variation in dioecism in cultivated *Dodonaea viscosa* 549

Sarafis, V. A biological account of *Polytrichum commune* 711
Sarafis, V. Modern methods in the investigation of bryophyte morphology 725
Scott, G. A. M. A bibliography of New Zealand bryology 750
Scott, G. A. M. New Zealand bryology; past, present, and future 739
Scott, G. A. M. Some problems in the quantitative ecology of bryophytes 744
Simpson, M. J. A. Note on the type locality of *Anisotome haastii* (F. Muell.) Ckn. et Laing 555

Sneddon, B. V. *see* **Lyon, J. F.** *et al.* 699
Spain, A. V. *see* **Wardle, P.** 186
Sweet, G. B. and **Lewis, Philippa N.** Plant growth substances in pollen of *Pinus radiata* at different levels of germination 146
Skyes, W. R. *Senecio lautus* in the Kermadec Islands 523

Taylor, A. D., Rowley, J. A. and **Jepsen, N. M.** Factors regulating the growth rate of *Lolium perenne* L. cv. 'Grasslands Ruanui' and *L. multiflorum* Lam. cv. 'Grasslands Tama', a tetraploid. 1. Seeds, photosynthetic rates, photosynthetic products, translocation and proportion of plant parts 504
Taylor, R. H. Influence of man on vegetation and wildlife of Enderby and Rose Islands, Auckland Islands 225
and Corrigenda 559
Thomas, R. G. *see* **Wilson, D.** 307

Wardle, J. The forests and shrublands of the Seaward Kaikoura Range 269
Wardle, P. An explanation for alpine timberline 371
Wardle, P. Biological flora of New Zealand 6. *Meterosideros umbellata* Cav. [Syn. *M. lucida* (Forst. f.) A. Rich] (Myrtaceae) Southern Rata 645
Wardle, P. Effectiveness of distant pollen sources in *Coprosma* 223
Wardle, P., Field, T. R. O., and **Spain, A. V.:** Biological flora of New Zealand 5. *Olearia colensoi* Hook f. (Compositae) Leatherwood, Tupari 186
Wardle, P. *see* **Jansen, H. S.** 215
Wenham, H. T. *see* **Harvey, I. C.** 32
Wilson, D. and **Thomas, R. G.** Flowering response to daylength and temperature in *Dactylis glomerata* L. 307

Zotov, V. D. *Simplicia* T. Kirk (Gramineae) 359
Zotov, V. D. *Zoysia* Willd. (Gramineae) in New Zealand 639
